

A modern, minimalist living and dining area. In the foreground, a curved, light-colored velvet sofa sits on a light wood floor. To the right, a round wooden dining table is surrounded by black Eames-style chairs. Large windows with light-colored curtains provide a view of a modern apartment building. The room is lit by several pendant lights, including a cluster of three black dome lights and a single large circular light. A patterned rug is partially visible under the sofa. On the left wall, there is a framed abstract artwork. On the right wall, another framed abstract artwork is visible. A potted plant sits on a small table near the windows.
